

Freedom House Community Shelter Dinner Information & Guidelines

Thank you for assisting Freedom House in serving a hot, nutritious meal to those living at The Community Shelter. Below you will find information you'll need as a volunteer and some basic guidelines for preparing and serving food for The Community Shelter residents.

The shelter is located at 1201 Hull Street (at the corner of Hull Street and 12th Street).

Dinner is served 7 days a week to an average of 40 people. Depending on the day, we may not have all 40 beds full and there is a chance when you are here serving that some of the residents will have other commitments that will keep them out of the facility.

Please bring the meal to shelter no later than 6:00 p.m. If you are going to be late, please call the shelter at 232.3711 and ask to speak to the staff member on duty or call 232.1949 ext. 207.

You will need at least 3 people to serve, and no more than 15.

You will need to purchase food, prepare it and then bring it to our shelter and serve it to our residents. There is a stove that can be used to reheat small amounts of food if necessary. Menu Examples– meatloaf, spaghetti, purchase pizza or chicken -- accompanied with a side dish (vegetable), bread and a small dessert.

You may bring, and are encouraged, to bring enough food for yourselves and eat with the residents. Feel free to stay and visit for up to an hour.

You should park on 12th Street near the single door entrance to the shelter (the shelter will be to your right). Press the intercom to the security system to be buzzed in. Residents will come down to help carry the food upstairs.

Please bring whatever supplies your meal needs, including paper plates, utensils, napkins and cups and drinks. Canned or boxed drinks are the easiest, but you can bring soda, tea and/or coffee.

No cameras are allowed. We try to protect the privacy of our residents at all times.

We encourage youth groups to be involved with Freedom House. An adult must accompany them at all times. We do not recommend that children under the age of 10 participate. Although our shelter is a safe environment, we cannot always control what our residents may say. We would not want to expose young children to inappropriate language or behavior.

If you need to contact us please call the appropriate number depending on the time of your call:

Monday - Friday (business hours) call 233.4064, Ken Roth the program director dial ext. 201 or Christy Ellis, Community Resources Coordinator dial ext. 209. If you need to get in touch with someone

After 5pm during the week or on weekends dial 233-3711 and ask to speak to a staff person or call 232.1949 ext. 207.

Inclement Weather: Mother nature may deliver ice and snow to the area. If you find that your group cannot prepare and deliver the evening meal at the scheduled time, please call 232.3711 and let him know as far in advance as possible.
